SUMMARY:

I have completed studies in computer science and engineering and completed the MERN Stack course within six months. I am a skilled React developer with expertise in developing dynamic and responsive user interfaces, can adapt to new technology within a short time.

PROGRAMMING SKILLS:

- **Expertise:** React Js, HTML5, CSS3, Bootstrap, Tailwind, Daisy UI, Error Handling, etc.
- **Comfortable:** JavaScript, ES6, MongoDB, Express Js, Rest API, etc.
- **Familiar:** With Node Js, JWT, React Query, etc.
- **Tools:** Chat GPT, Firebase (Auth and Hosting), NPM, GitHub, Chrome Developer Tools, React Developer Tools, EsLint, Sublime Text3, Visual Studio Code, Netlify, Vercel, Figma, etc.

INTERPERSONAL SKILLS:

Quick learner, Hard-worker, Self-motivated, Excellence in Teamwork, Strict Time management, Having leadership qualities.

PROJECTS:

➤ **SPORT ACADEMY - MERN STACK PROJECT**   Live Website | GitHub > Client-Code | Server-Code

Duration: It takes about 15-16 days.

Key Feature:

- On this site anyone can register as a normal user, the user can be promoted to instructor or admin by a default admin.
- Instructors can add classes that they take, and wait for admin observation, Admin can make the class approved, deny and also give feedback.
- A user can enroll in a class if a seat is available and can pay through Stripe.

Technologies: React Js, Node Js, MongoDB, Express Js, Tailwind, Daisy UI, Stripe, JWT, Swiper Slider, Tan Stack Query, etc.

➤ **TOY MARKET PLACE - MERN STACK PROJECT**   Live Website | GitHub > Client-Code | Server-Code

Duration: It takes about 10-12 days.

Key Feature:

- On this site, a new seller can register here and can add their own toy for sale, and can delete their existing one.
- Normal users only see the toy in this marketplace and can also visit the blog section on this site.
- Some route is in private where no other can enter without login.

Technologies: React Js, Node Js, MongoDB, Express Js, Tailwind, Lottie Animation, Swiper Slider, etc.

EDUCATION:

Uttara University, Bachelor of Science (B. Sc) in Computer Science Engineering (CSE)   Session: 2015-2019

EXTRA-CURRICULAR ACTIVITIES:

I was CR (Class Representative) in class and group leader of academic projects and a member of the programming club(binary2k19).

LANGUAGE:

Bangla - Native, English - Comfortable, Hindi - Familiar.

ACHIEVEMENT:

I have completed a web development course with Jhankar Mahbub from programming hero.
